Phone: +45 30 49 41 19 *(This number is legally protected against sales calls in Denmark)*

## The product

The product consist of a PDF-file, which usually consist of between 8 and 12 pages. *(Please note that a well-designed landing page will have less improvement suggestions and the report therefore will be shorter. A less well-designed page will have more improvement suggestions and therefore the report may be longer.)*

The product will usually contain the following content:

1. Overall Content Review
  - 1.1. Review of product explanation (Does the landing page do a good job of explaining the product being sold?)
  - 1.2. Amount of content (Does the landing page have too much irrelevant text or too little to fill the landing page?)
  - 1.3. Flow of content (Does the order of the content create a natural flow towards the button of the page?)
2. Overall Composition Review
  - 2.1. Flow of composition (Does the visual composition follow the natural eye flow of a visitor?)
  - 2.2.
3. Sectional Content Review
  - 3.1. Word for word analysis for all sections of the landing page.
  - 3.2. Choice of illustrations.
4. Sectional Composition Review
  - 4.1. Positioning of text and illustrations.
5. Graphical Design Notes
  - 5.1. Notes on whether design is too generic.
  - 5.2. Notes on whether the design uses complimentary colors.
  - 5.3. Notes on other possible bad design choices.
6. Summary of suggestions
  - 6.1. A list of all suggested improvements.

Please note that the primary purpose of the product is suggesting improvements for the content and composition of the website. The report will include notes and suggestions on the graphical design in cases where bad graphical design choices has been made.

## Additional review for mobile

The review for mobile is sold as an additional service, when purchasing the product. The review contains the same content as listed in section 1 to 4 in “The product” section, but when viewing the webpage from a mobile device.

The mobile review is intended for buyers who already have made their website compatible with mobile, but want to optimize conversions on mobile.

When bought together the mobile review will be part of the same document as the other content.

If the buyer did not originally opt in for a mobile review, but has changed their mind, they can contact [primary@magnuskongskov.dk](mailto:primary@magnuskongskov.dk) and have the mobile review added as an additional service. The cost of the additional service is 140 USD.

## Payment

All payments are made using Stripe as a payment processor.  
All payments are made up front.

All payments are made in USD unless otherwise specified.

An invoice will be sent to the mail specified when ordering the product.

## Delivery Time

The product is delivered at latest at noon UTC on the 14th day after order. E.g. if an order is made on 3rd of July at 17:18 UTC it will be delivered at latest at 18th of July at 12:00 UTC. *(Please note that most products are delivered within 5 days)*

In case the product is not delivered on time the buyer will be entitled to a full refund.

## Delivery Method

The product is delivered as an PDF-file to the email address provided at the time of purchase.

## Waiver of the 14 day withdrawal period within the EU.

Please note that the 14-day cooling-period does not apply to the product, as it falls under the category of:

- Goods made to order or clearly personalized goods.

For refunds please check the Refund policy

## **Refund policy**

Refunds are not available once the product is under construction or when the product has already been delivered. If you want to request a refund and you have not yet received the product please contact [primary@magnuskongskov.dk](mailto:primary@magnuskongskov.dk) as soon as possible. Refunds are then given on a discretionary basis.

## **Disputes**

All disputes are handled in a court of law.
